Explanatory Notes

Information in this guide was obtained from Saskatchewan manufacturers through telephone interviews. Saskatchewan Economic Diversification and Trade gratefully acknowledges their co-operation.

Exporters for the purpose of this guide, are defined as firms that export to other provinces in Canada as well as to other countries.

S.I.C. = **Standard Industrial Classification.** This listing identified the products manufactured in Saskatchewan by major industrial groupings as defined by the 1980 Standard Industrial Classification Manual. The Standard Industrial Classification Manual is a publication of Statistics Canada.

B.O.S.S. = **Business Opportunities Sourcing System.** This system provides information on companies and products on a Canada-wide basis. It is designed to bring buyers and sellers together in both domestic and international markets. Saskatchewan companies that are identified as B.O.S.S. registrants are included in this national data bank of information and are included in the B.O.S.S. publications and catalogues.
